**Sub.: Provisional Ph.D. registration**

Dear Sir/Madam,

I am to inform that the Board of Research Studies of the Faculty of Medical Sciences at its meeting held on 31.10.2012 vide item No. 4 has decided as under:-

1. The Chairperson, DRC may allow Supervisor/Jt. Supervisor to participate in the DRC meeting; however, the Supervisor/Jt. Supervisor should withdraw while the DRC is taking final decision.
2. The DRC may consider and allow provisional Ph.D. admission on date in case minor discrepancies are noted in the protocol/fellowship/ethical clearance. However, the discrepancies should be corrected and the same communicated to the Chairperson, DRC within 6 months.

In view of above, the concerned DRCs may consider/recommend for provisional Ph.D. registration subject to correction/removal of minor discrepancies pointed out by the DRC. The DRC may accordingly record the same in the minutes of that DRC meeting. The discrepancies may be removed/corrected by the candidate at the earliest but not later than 6 months after that DRC meeting. The Chairperson (DRC) may consider the correction/removal of discrepancies and inform the same at the next meeting of the DRC.

Kindly take necessary action accordingly.

Yours faithfully

-Sd-
