## **BRIEF HISTORY OF ALL INDIA INSTITUTE OF AYURVEDA**

The All India Institute of Ayurveda has been conceived as an Apex Institute for Ayurveda under aegis of Ministry of AYUSH, Govt. of India. It aims at bringing a synergy between Traditional Wisdom of Ayurveda and Modern tools and technology. The institute would offer postgraduate, doctoral courses and super specialty fellowship programs in various disciplines of Ayurveda and will focus on fundamental research of Ayurveda, drug development, standardization, quality control, safety evaluation and scientific validation of Ayurveda medicine.

**Institute Hospital:** Institute has a 200-bed multi-specialty referral hospital for offering medical facilities and facilitating clinical research. Shortly, the Institute will have 18 Specialty Departments and 12 super specialty clinics with 8 inter-disciplinary research laboratories wherein several Scholars will have access for PG & PhD programs every year. The hospital will be equipped with state of the art modern diagnostic tools and techniques, which will be used in teaching, training and research. The patient care will be done primarily through Ayurveda of tertiary level. The institute hospital is fully computerized and integrated with Hospital Information & Management System.

### **Academic & Research divisions:**

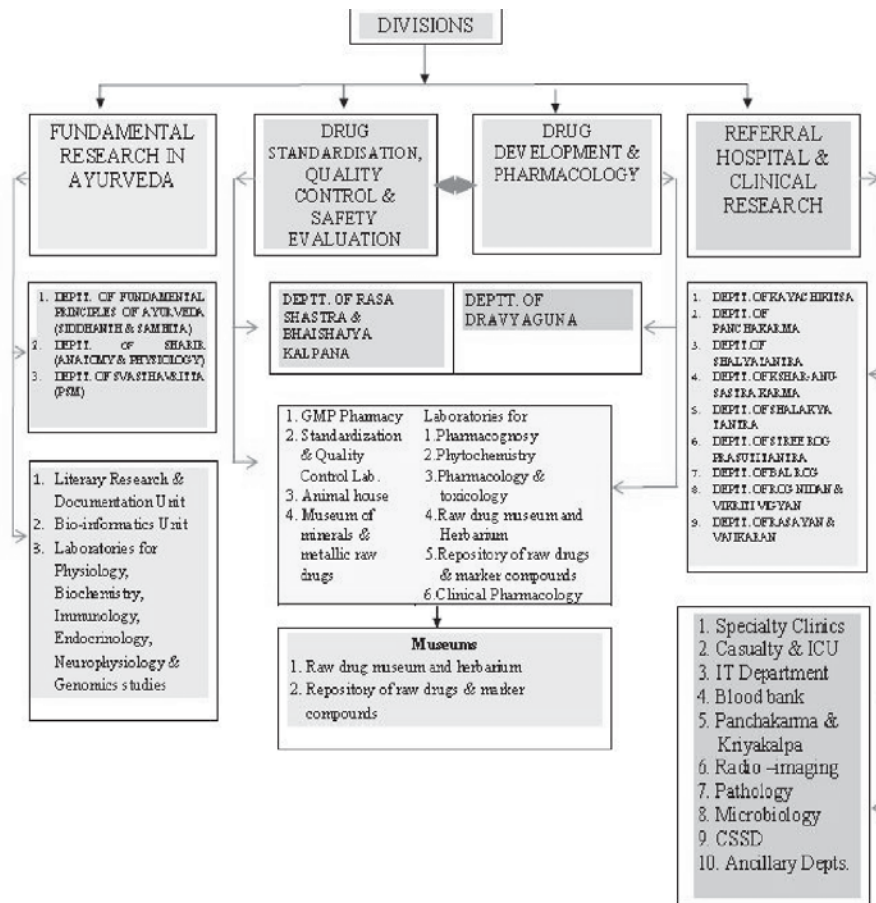

The institute is having twelve well-developed Academic departments. Every department is having their own departmental library, seminar room and research labs. Faculty members of the institute are of national & international repute. Fully established and well-equipped Quality Control Laboratories are asset of the institute. Department of Translational Research & Bio-statistics takes care of needs of research projects, their monitoring and training in the area of GCP, Research methodology teaching and training.

### **Other Facilities:**

- Learning Resource Centre (LRC) of the institute is having very good and updated collection of books of Ayurveda, Medical sciences and other subjects of allied disciplines. Digital Library offers its services as online resource. An upcoming Skill Lab. will offer practical exposure and hand-on-training to the students in areas like CPR, Neonatal resuscitation, obstetrical procedures, surgical interventions, Panchkarma procedures etc. through very high end computerized simulators.

- Under Skill development Initiative, the institute is offering one-year training program for Panchakarma technician. Other programs are available for improving various soft and technical skills of faculty, students, technicians, and practitioners of the institute, which is open to other institutions also.

**International Collaborative Center:** This institute also has an international collaborative center for global promotion and research in Ayurveda.
